Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

Type Approval Certificate

Other Conditions

Use of SHaPoLi ECO 8 system on LR classed vessels subject to EEXI overridable power limitation do in general require acceptance by the vessel's Flag Administration.

Documentation for the actual application is to be submitted by the manufacturer of the application system case-by-case.

If the subject system shall be applied in SHaPoLi arrangements with technical means for power limitation as specified in MEPC.335(76), such use is subject to case-by-case approval.

The cable installation has to be carried out according to the Rules for Classification of Ships with respect to routing, fixing, protection, penetration of the decks/ bulkheads and the use of cables pipes.

Shaft power sensor that continuous measure the propeller shaft(s) power, torque and RPM in SHaPoLi-configuration is not covered by the subject TAC.

Ex-certification is not covered by this certificate. Application in hazardous area is subject to case-by-case approval according to class requirements.

This certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Hellenic Lloyd's SA of any modification or changes to the equipment in order to obtain a valid Certificate.

The Design Appraisal Document and its supplementary Type Approval Terms and Conditions form part of this Certificate.
